Additional descriptive comments on figurative or decorative portion of the exterior:

Fragment is only of a leg. Difficult to tell which leg... but possibly the right leg. No toes are present + leg as a whole appears plump near the top + a foot only consists of a nub, which overall looks like a turkey drum stick. Fragment is ~~not~~ thin + the whole leg, so entire object was probably not very big.

The item is: not eroded - slightly - moderately - very - extremely eroded.

It has - does not have other damage. Describe:

Not drawn drawn. Where?

Comments: Munsell: 7.54R 5.5/4
