* re. Cajal and Terso Traditions: "IND/ALL" at Group/Type/Variety levels = Many sheets only sorted/sortable at the Tradition level pending identification of Early/Early groups and type - and the transition from the preceding groups to the Late/Early groups of Traditions.

* re. Zinc Tradition Types: posters are not types of Late/Early Zinc Trad. types at color. They tend to be grittier/more brittle and/or a deeper gold brown in color. Surface characteristics matter, but may all be something else, although posters not color. of anything local except maybe lunche workshop of the Cajal Trad. = Early/Early variation of Lunche or - early Zinc posters? Check into this more?
