PSB 34/8-7

This is a fragment of a censor strap handle. The past  
 is medium fine texture and a bit sandy to the touch with  
 some visible inclusions of white + shiny particles (It is a  
 bit reminiscent of Santa Rosita paste). Though a bit  
 weathered the sides seem to have been smoothed  
 and the edges are slightly flattened + smoothed, distinguish  
 them from the sides. It widens slightly at one end,  
 possibly because it is approaching the join w/ the body of  
 the censor.

Thickness: 1.51cm

Color:

Paste 2.5R 5.5Y

light reddish brown
