

7.6.45

Dear Mr. McClelland,

Attached is the package for the three companies. The address is exactly:

Eva First, born in Bratislava was born on 21.7.26, a concentration camp for women from Mauthausen, hut 1 or 7.

Agate First, born in Bratislava 23.6.28.

Trudeau Meyer, born in Bratislava 7.7.28

The package contains the following:

Swimsuit,

1 pajama - top

1 pajama

1 laundry bag with 3 toothbrushes, toothpaste, mirror, comb, soap, soap box, nail file, cotton wool.

1 box with sewing, needle and thread.

6-piece handkerchiefs

Writing paper, envelope and pencils.

Biscuits, milk powder, saccharin.

I packed everything in the laundry bag.

I really hope you do not have to bother yourself. These things are probably a small part of the things that need to be done. I hope I did not send too much and that the companies will be happy with things.

If it somehow works out, we will be endlessly happy if we can take care of the girls here until they are healthy.

Many thanks for your efforts and I wish you a lot of strength for the trip to the German concentration camp.

Best regards,

Nathan
