Two Ethiopian Iron Hand Crosses

Left: The plain iron cross has flared arms with circular decorative protuberances at the ends of the top and horizontal arms and at the bottom of the piece. The metal shows pitting throughout.

Length: 9 5/8"

Age unknown

Purchased from Arpad Antiques, Washington, on January 19, 1977, for \$42.

Right: A very small and heavily rusted iron hand cross with arms ending in trefoils.

Length: 5 1/8"

Age unknown

Purchased from The African Gallery, San Francisco, on November 26, 1977, for \$85.
