Central Panel and Wing of a Greek Triptych

The central panel shows Christ, half-length and in red and green garments, giving the blessing. The one remaining wing shows St. Nicholas, half-length and clad in red, holding a book in his covered left hand and blessing with his right. The background of both panels is red up to the figure's shoulders and gold above.

Dimensions of central panel: 4 1/4" x 7"

16th-17th C. (?)

Purchased from M. Capsoulaki, Athens, on May 30, 1972, for \$333.

The icon bought by Mr D. Harris.
 is an original Cretan icon of
 the beginning of the 10th Century.
 The theme of Athens 30-5-72
