SMALL BRONZE BYZANTINE CROSS

The cross, with slightly flared arms, displays a figure orans, the bent arms occupying the horizontal members of the cross. The saint (Mother of God?) wears an ankle-length garment, the feet being turned sideways. There is a suspension ring at the top. Said to have come from Bulgaria.

1 11/16" x 7/8"

8th - 11th C.

Purchased from Tetragon, London, on October 31, 1992, for \$136.
