Editorial.

We deeply regret that this issue has been so long delayed. We wish to say merely that this delay has been due to a combination of circumstances, an explanation of which would be satisfactory neither to our readers nor to ourselves. Just a few words in regard to this issue. Considerable matter has been inserted which is of interest to those who are well acquainted with the inner workings of the college. To do this, matter which is of interest to another class of readers has been sacrificed. To apologize to one is to offend the other.

Never was there a more auspicious opening of the fall term. For the past few years it has seemed as though the return of students to the hill was the signal for hot weather; as a consequence it was with the greatest reluctance that one could drive himself to work. Not so, this year. With the beginning of an almost uninterrupted season of magnificent weather came the annual influx of new faces.

To you young men just a word: Kenyon College is an institution of religious foundation, moral environment and educational tendency. A failure on your part to recognize any one of these is going to result
in an unsymmetrical development. We hope you have come imbued with a firm purpose and a lofty aim. If you have, you will find many who will do all in their power to help you attain them. We greet you most cordially and offer you this one word of advice, "Don't lose your individuality."

Minutes of the Annual Meeting of the Kenyon Alumni Association.

"ENGLISH ROOM", ASCENSION HALL, GAMBIER O., JUNE 29TH, 1898.

The meeting was called to order by the President, Mr. Wm. P. Elliott, at 3:10 o'clock, P. M., forty-two members of the Association then being present.

The minutes of the last meeting of the Association, held June 16th, 1897, were read and approved.

The President appointed Mr. Wooster B. Morrow, A. M., and Hon. Chas. D. Leggett as inspectors of election, who immediately entered upon the discharge of their duties.

The report of the Secretary of the amount collected for expenses of Trustees election, 1898, was read and approved, showing amount in Secretary's hands from 1897 collection, as shown by his report of June 16th, 1897, $2.00, and the sum of $37.50 collected since that time; making a total of $39.50, all of which had been duly turned over to the Treasurer, as indicated by voucher attached to report.

The annual report of the Treasurer was read and approved, showing a balance on hand, all bills and expenses having been paid, of $43.38.

On motion of Rev. A. B. Putnam, duly seconded and carried, the President appointed a committee, consisting of Hon. Albert Douglass, the Rev. John H. Ely and Mr. A. M. Snyder, to nominate officers for the ensuing year.

The Secretary read the following communication from the Board of Trustees, of Kenyon College; relating to the election of Alumni candidates to the Board of Trustees on June 16, 1897:

"KENYON COLLEGE, GAMBIER, O.,
JUNE 17TH, 1897."
"To the Sec'y of the Alumni Association of Kenyon College:—
By the Board of Trustees of Kenyon College, Resolved, That the Secretary of this board be instructed to notify the Secretary of the Alumni Association that the Rev. C. S. Aves, having completed a full course and passed the required examinations at Bexley Hall, in 1897, has been recognized as an Alumnus of that institution, though there is no record of any graduation in that year, and that the Rev. J. D. Skillton, being not an Alumnus of Bexley Hall, is ineligible to election as Trustee by the Alumni, and that the vacancy caused by the resignation of the Rev. Dr. Currie still exists.

Attest
A. B. Putnam,
Secretary."

On motion duly made and carried, the communication was received and placed on file.

The President, Mr. Elliot, then called to the chair the Rt. Rev. John Hazen White, and on the floor made report on behalf of the committee appointed at the last meeting in the matter of the revision of Article VI of the Constitution of Kenyon College. The report of the committee showed that they had conferred, in an advisory way, with the committee of the Board having constitutional amendments in charge, and that what seemed a satisfactory revision of Article VI had already received the concurrence of the Board and of the Dioceses of Ohio and Southern Ohio, and would in all probability receive the concurrence of the Bishop of Ohio and the Bishop Coadjutor of Southern Ohio, together with other constitutional amendments at their present meeting. He then read the following, which was subsequently adopted and is now in Article VII of the Constitution:—

REVISED ARTICLE VII.

Six additional trustees may be elected by the joint vote by ballot, under rules and regulations prescribed by the Board of Trustees, of the Alumni, of the Theological School, the Alumni of the Collegiate School, and after the graduation of their respective classes of matriculatates of either of said Schools. Such six trustees to be graduates of at least three years' standing of the Collegiate School, or at least three
years' standing of the Theological School; provided, that at least two of said trustees shall always be graduates of said Theological School. Two of said six trustees shall be elected annually, and the term of office of said trustees shall be for three years, or for a shorter period in case of filling vacancies occurring before the expiration of the full term. Provided, that nothing herein shall be construed as to remove from office any member of the Board of Trustees as now constituted.

On motion of Mr. Albert Douglass, duly seconded and carried, the thanks of the Association were extended to the committee for their careful attention to the matter, and its report accepted and the committee discharged.

The chair was then resumed by the President, Mr. Elliott, and the Rev. Dr. E. C. Benson addressed the meeting in regard to the cane of President Hayes; stating that the cane had been presented to the Association and still remained in his charge, but that he felt some action should be taken by the Association looking toward providing a safe place for the preservation of the gift. He moved that a committee of three be appointed by the President to take charge of the cane, and to provide, at the expense of the Association, a safe and proper place in which to keep the same.

The motion was seconded and carried.

The President appointed as members of the foregoing committee, the Rt. Rev. Rev. John Hazen White, the Rev. Dr. E. C. Benson and Mr. James H. Dempsey.

The committee heretofore appointed, reported the following nominations for officers for the ensuing year:

President, William P. Elliot, Esq.
First Vice-President, Nathaniel P. Dandridge, M. D.
Third Vice-President,
Secretary, Mr. Guy, H. Buttolph.
Treasurer, Rev. E. C. Benson, D. D.
Member of Executive Com., Mr. William Grier.
Necrologist, Rev. A. B. Putnam.

On motion duly made and carried, the report of the committee was received, and the Secretary directed to cast the vote of the meeting for the nominees. The vote was accordingly so cast and the foregoing
nominees were thereupon declared duly elected to the respective offices for which they had been nominated, for the ensuing year.

The President again called Bishop White to take the chair, and addressed the meeting upon the subject of the Rules and Regulations for conducting the elections of Alumni Trustees under Article VI of the Constitution of Kenyon College. Mr. Elliott called attention to the fact that should the revised form of Article VI be adopted by the Bishops and the Board of Trustees at its meeting to-morrow, as now seemed probable, it would be necessary for the Board to provide a new form of these Rules and Regulations, and that, as the Board of Trustees would, undoubtedly, be governed to a great extent by the wishes of the Alumni Association in the matter, he moved that a committee of three be appointed to consider the matter of new Rules and Regulations for the conduct of election for Alumni Trustees, said committee to report at an adjourned meeting of this Association to-morrow.

Motion seconded and carried.

The Chairman appointed as members of this committee, Messrs. Wm. P. Elliott, Albert Douglass and Florien Giauque. Mr. Albert Douglass moved that Mr. Henry C. Devin be added to the foregoing committee, and that the matter of the general revision of the Constitution of this Association, be also referred to said committee.

Motion seconded and carried.

The chair was then resumed by the President, Mr. Elliott.

It was moved by the Rt. Rev. John Hazen White, that a committee of three be appointed to prepare and present to this meeting of the Association, resolutions expressing the sentiment of the Alumni in regard to the reported severance of Dr. Benson's connection as a member of the Faculty of Kenyon College.

Motion was seconded and carried.

The President appointed as members of this committee, Rt. Rev. John Hazen White, Messrs. Florien Giauque and James H. Dempsey.

It was duly moved, seconded and carried, that a committee of five be appointed, of which the President and Secretary elect be two, to collect information and perfect a list of all graduates and matriculates of both the Theological and Collegiate Schools of Kenyon College.

The President announced that he would make the appointments and notify the committee individually, as he desired to consider the
Subsequently, Francis T. A. Junkin, Esq., 22 William St., New York City, Francis W. Blake, M. D., 187 East State St., Columbus, O., and Frank H. Ginn, Esq., Society for Savings Bldg., Cleveland, O., were named as the additional members of this committee.

The President announced that more than one hour having passed since the opening of the polls by the inspectors of election, the polls should be now closed, and called for the report of the inspectors of election.

Judge Leggett, on behalf of the inspectors of election, reported that they would require some further time to canvass the vote.

On motions duly made and carried, recesses were taken until 4 o'clock, P. M., June 30th.

"ENGLISH ROOM", ASCENSION HALL,
GAMBIER, O., JUNE 30TH, 1898.

In accordance with the previous order of the meeting, the Association again assembled, and was called to order by the President, at 4 o'clock, P. M.

The committee heretofore appointed to present resolutions concerning Dr. Benson's retirement from the College Faculty, presented the following minute;

KENYON COLLEGE, GAMBIER, OHIO,
JUNE 30TH, 1898.

"The Alumni Association, of Kenyon College, gathered for its annual meeting within the walls of our dear Alma Mater, learns with mingled feelings of pride and regret, of the purpose of the Rev. Edward C. Benson, D. D. to resign the active duties of the Professorship, which, for more than thirty years, he has filled with such marked efficiency and success. It is the desire of the Association to lay at the feet of our honored Professor, our tribute of deepest affection and to unite in an earnest prayer that many years of well earned rest may crown the labors of an honored life. The accumulation of honors which have come to Kenyon's sons for more than a quarter of a century, are honors, which of a right, belong to him whose patient labor has con-
tributed so largely to fit the sons of Kenyon for the successes which they have achieved.

As filial sons, we bring our accumulated honors and lay them lovingly at the feet of him whom we love and revere, as the best tribute of our appreciation of him, and of the old latin maxim, "Quod facet per aliam facet per se".

**John Hazen White,**  
**Florien Giauque,**  
**James H. Dempsey.**

On motion duly made and carried, the report of the committee was received and unanimously adopted with a rising vote.

The report of the Inspectors of Election, was then presented by Hon. Charles D. Leggett, who reported that a much larger vote than usual had been polled, which resulted in the election of Rev. Wm. Thompson, of Pittsburg, Pa., for clerical term ending June, 1901, James H. Dempsey, of Cleveland O., for the lay term ending the same year, and Florien Giauque, L. L. D., of Cincinnati, Ohio, for the lay term ending June 1900.

The report of the committee on New Rules and Regulations for nomination and election of the Alumni quota to the Board of Trustees under Article VII of the Constitution of Kenyon College was presented and read by Florien Giauque, L. L. D. On motion of Francis W. Blake, duly seconded, the report was approved and Mr. Giauque appointed to present it to the Board of Trustees for such action as might seem proper to them. The following is a copy of these rules.

*Resolved, that the Rules and Regulations in use under Article VI of the Constitution be, and the same are, hereby amended to read as follows:*

I. The election shall be held annually, in the afternoon of Commencement day in Ascension Hall, or any other hall or place on the Hill designated by the President of the Alumni Association, notices of which shall be posted near the middle path during the day of such election.

II. At the annual election, the ballots shall specify the names of the candidates, required to fill the Alumni's quota, and the terms for which they are to be elected.
III. The chairman of the Alumni meeting shall appoint two or more inspectors of election, whose duty it shall be to receive and count the ballots, and report the result in compliance with these regulations.

IV. Each ballot shall be signed by the voter and may be delivered to the Inspectors by hand, or may be sent by mail. A ballot sent by mail must be accompanied by such certificate as will enable the Inspectors to identify the sender as a qualified voter.

V. A ballot shall not be rejected by the inspectors for informality in its mode of sending it, if the Inspectors are satisfied from the best evidence attainable that said ballot has in fact been made by the legal voter whose ballot it is claimed to be; but this rule shall not be construed to sanction voting by proxy nor to legalize a ballot not signed by the voter himself.

VI. The Inspectors shall receive the ballots and shall count them as soon as a reasonable opportunity to vote has been given all matriculates present.

VII. If at any balloting there shall not be a majority of votes cast for one of the candidates for any designated term, then another ballot for such term shall be taken at which the persons who received the two highest numbers of votes at the last balloting shall be candidates, and be credited the number of votes sent by letter, and unreclaimed, which each received at the former balloting; provided that the ballots sent by letter of any one who is present shall not be counted in any except the first balloting, but such persons and all other matriculates present shall be permitted to vote in person; and provided, also, that other nominations may be made after the first balloting, but no balloting shall be valid unless the whole number of ballots counted shall equal thirty.

VIII. The Inspectors shall make a certificate of the result, specifying the names of the persons voted for and the number of votes received by each at the final balloting for any term, and shall deliver to the Secretary of the Board of Trustees the said certificate.

IX. The Secretary of the Alumni Association before May 1st of each year shall mail to the address of each matriculate of the Theological and Collegiate Schools, who is entitled to vote, a notice stating the number of members of the Board, and the terms for which they are to be chosen at the next election, and inviting nominations of
candidates for the various terms to be filled. On the 15th day of May, or within a day or two thereafter, the said secretary shall mail to the address of each of said matriculates a list of the names of persons nominated, stating the number of votes each has received, designating the term for which he received them, and inviting a second ballot confined to the candidates for whom the three highest numbers of nominating votes for any particular term, have been cast. On the first day of June, or within a day or two thereafter, the said secretary shall mail to the address of each of said matriculates a notice giving the names of the candidates in the last nominating balloting who have received the two highest number of votes for any particular term, stating the number of votes each of these nominees has received, and that these names constitute the candidates for their respective terms to be balloted for at the balloting of the election for that year, subject to Regulation VII.

X. In case of the resignation of any member of the Board of Trustees elected under Article VI of the Constitution, such resignation shall be tendered to and acted upon by the President of the Alumni Association, and upon the acceptance of the resignation of any such member, or upon the death of any member of the Board elected under said Section, a vacancy in such office shall be declared to exist by said President, and a successor shall be elected to fill the unexpired term caused by such resignation or death, at the time of, and so far as is practicable, according to the regulations for holding the annual elections under said Article. Provided, that the inability because of lack of time to follow any of the nominating steps under Regulation IX shall not invalidate an election under Regulation X.

At this point informal remarks in commendation of the performance of their duties by all the officers of the Association during the past year were indulged in by Messrs. Thompson, Blake, and Gianque, and on motion of Francis W. Birke, a vote of thanks was unanimously tendered to the officers collectively and individually, for their efforts in Kenyon's behalf.

On motion, carried, the meeting then adjourned.
A true record.

WILLIAM P. ELLIOTT,
President.

HENRY CURTIS DEVIN,
Secretary.
Kenyon Alumni Dinner at Washington.

On Wednesday evening, October 19, the alumni and friends of Kenyon held their reunion and banquet at the Ebbitt House. The hotel had made lavish preparations for the dinner, and the tables were beautifully decorated with cut flowers and a boutoniere at each plate. At the head of the table sat Bishop Kendrick, of Arizona, Kenyon's senior Bishop in order of consecration, who was unfortunately called away early in the evening to attend a meeting of the Board of Missions.

The menu was as follows:

- Pocomoke oysters
- Mulligatowney
- Blue fish broiled
- Potato chips
- Croquettes of chicken
- Green peas
- Stewed terrapin
- Vanilla wafers
- Lemon water ice
- Black head duck
- Guava jelly
- Lobster salad
- Fancy cakes
- Neapolitan ice cream
- Crackers
- American cheese
- Coffee
- Cigars

After the cigars had been lighted, Bishop Brooke, of Oklahoma, as toastmaster, called the meeting to order, and presented as the first speaker the oldest living alumnus of the College, the Rev. Dr. James C. Wheat, of Lynwood, Virginia, who belonged to the class of 1881. It was only by a fortunate accident that the Committee on Arrangements learned of Dr. Wheat's presence in Washington, and arranged to have him come to the meeting. Every Kenyon man was especially glad to meet this gentleman of eighty-six years of age, who remembers his college days so clearly and who spoke so happily about them. Dr. Wheat is not in very strong health, but he stayed throughout the evening, and his remarks about Bishop Chase and the early days of the college were much enjoyed. He began his reminiscences by quoting the children's hackneyed lines,

"You scarce would expect one of my age
To speak in public on the stage,"

applying them in an unexpected and humorous fashion to himself.
President Peirce was the next speaker. His remarks were devoted to an account of the present condition and work of the College. He made especial reference to the prize examinations last May in which Southworth, '98, and Ganter, '99, won the Senior and Junior prizes in Mathematics and Physics, and three other men came in for the second place in remaining three contests. He referred also to the large numbers, good preparation, and athletic ability of the entering class. He closed with an earnest appeal to Kenyon men to stand firmly together for the support of Kenyon and the maintenance of the idea of Church education.

The Rev. Dr. Jones responded for the theological department, dwelling upon the spirit of unity that now prevails in Gambier, and congratulating the College that the old days of rivalry and strife had passed never to return. He spoke warmly of the work that Bexley is doing, and of its prospects of securing wider support.

The Rev. John A. Aspinwall, of Washington, the next speaker, felicitously welcomed the Kenyon men to the city of Washington. He recalled with pleasure his days in Gambier and recounted the circumstances which led him to prefer the Gambier seminary to others. His words were thoroughly enjoyed.

Bishop Brooke next asked the Bishop of Ohio to respond to the toast of "Too much Bishop," an expression which he had very frequently heard used in reference to Kenyon's history. Bishop Leonard responded in a charming and effective speech, in the course of which he recounted the circumstances which had led to the broadening of the College constitution and the changes in the administration. He congratulated the College upon its entrance on a new and larger life, speaking at length of the changes and improvements that the last few years have seen. He referred especially to the large entering class, the high intellectual standing of the faculty, and the energy of the present administration.

The toastmaster next introduced Vice Chancellor, of the University of the South, who was the guest of the occasion. Vice Chancellor Wiggins responded in a peculiar happy vein, regarding the sympathy and community of interest that subsists between Kenyon and Sewanee. He remarked that everybody at Sewanee was glad that Kenyon won all the prizes that Sewanee did not get, and that they
were willing to call the contest in May a draw. He spoke at length of the magnificent opportunity for growth and development that Kenyon has in the Northwest, and urged the College to move strongly forward to take possession of this, its natural territory. Sewanee has the seventeen dioceses of the South thoroughly organized, and he hoped that in the next few years Kenyon would accomplish a similar task for the dioceses of the Northwest.

Bishop Brooke next referred to the fact that two of Kenyon's bishops were in College with him, Bishop White and Bishop Burton. Bishop White was introduced under his college sobriquet of the "Still Small Voice," and the auditors were urged to listen intently for his faintest whisper. The Bishop of Indiana, with his fine physique and ringing voice, who responded to this call, made one of the most enthusiastic and inspiring addresses of the evening. He spoke with fervor of the new life at the College and of his own determination to do his part in pushing things on. He recalled some incidents of his visit to the College at Commencement, which had given him the inspiration and encouragement to work for his alma mater. He closed with an appeal to all Kenyon men to do everything in their power to forward the interests of their College.

The Kenyon student who has been most recently consecrated to the episcopate, the Bishop Coadjutor of Arkansas, was the last speaker of the evening. He attributed the relative strength of the Church in Ohio to that in Indiana, and using this as a text spoke of the necessity and reasonableness of maintaining Church colleges.

The evening closed with the singing of "Old Kenyon, Mother Dear."

Among the guests present were Bishop Vincent of Southern Ohio, the Bishop of Lexington, the Bishop of West Virginia, the Rev. J. H. Ely, of Cincinnati, the Rev. C. D. Aves, of Norwalk, the Rev. Henry Aves, of Houston, Texas, the Rev. C. D. Pise, of Marietta, Georgia, the Rev. T. O. Tongue, of Washington, the Rev. G. F. Dudley, of Washington, the Rev. Y. P. Morgan, of Dayton, the Rev. Lewis Brown, of Battle Creek, Michigan, the Hon. Matthew Trimble, of Washington, Messrs. Moss and Sloane, of Sandusky, and Mr. T. B. Bosworth, of Marietta.
The Rush.

On Friday night, September 23rd, occurred the annual cane rush between the Freshman and Sophomore classes. As usual, the Sophomores were outnumbered, but this year the odds against them were particularly heavy. The inclemency of the weather in the afternoon deprived the upper classes of seeing a few preliminary bouts, such as usually occur. Neither class seemed anxious for a "tilt" and the Sophs by a judicious system of "bluffs" kept putting the freshmen off until it suited their own convenience. All afternoon the underclassmen promenaded the path, without doing each other violence. An occasional yell from 1901 served only to intensify the silence of 1902. Had the freshmen taken it into their heads, they might have stolen 1901 in its entirety; suffice it to say, however, they didn't do so.

The Freshmen, after taking supper in a body, repaired to Bexley where they were put through what seemed, to them at least, a system of coaching by the Juniors. The Sophomores meanwhile were going through a series of tandem bucks and V wedges in front of the dormitory. Promptly at nine o'clock Pres. Peirce appeared before the freshmen with the big oak cane made of Old Ross' timbers, which he presented to them in a few words of encouragement and cheer.

Long before the campus was reached a new yell burst forth, foretelling the advent of a new class which is to take its place in the college history.

With the cane in the middle of a compact band the Freshmen passed on, surging and yelling, until Hubbard Hall was reached. Here the wiley Sophs were lurking. At the sight of the "Fresh" they rushed, ah, yes, they rushed; then followed strategy—but what an awful odor it had. With apologies to Hamlet—or egglet, we know not which—truly one might have said, "There is something rotten in Gambier."

At the end of fifteen minutes that chaotic mass of struggling humanity had scarcely moved an inch and a counting of hands on the cane was rendered necessary.

With considerable difficulty this was done and the result showed eight of the Fresh to five of the Sophs in the coveted place.
The customary bonfire built, the Freshmen were given their first lesson in college spirit. May it serve as a beacon throughout their course, lighting the well trodden path of Kenyon loyalty.

Athletics.

MICHIGAN vs. KENYON.

Doolittle kicked off and Seetzel brought it back for 10 yards. Whitcomb advanced through tackle for 10 yds. and Keena bucked the center for 15 more. Whitcomb then circled left end for 20 yds., on the next play he tried it again but was downed in his tracks. Avery then circled the right end for the first touchdown from which Keena kicked goal. The next kick-off was downed close to Michigan's line. Michigan then bucked for 8 yds., again for 5 yds., on an attempt to circle left end lost 1 yd., tried right end for 2 yds.; on an off side play Michigan got 10 yds., on the next three downs they advanced but little. Whitcomb then went around left end for 10 yds.

The next three bucks were scarcely successful and things began to look interesting for Kenyon, while the crowd on Michigan's sidelines was showing signs of discomfort. Avery relieved them by circling left end for 15 yds., but on a fumble Kenyon got the ball and punted back to the center of the field, where Michigan was held for downs, the ball going to Kenyon. On a buck the ball was advanced 2 yds. when Kenyon punted to Michigan. Coolidge by a pretty tackle downed the man who attempted to bring it back. Kenyon again took the ball and Morris was sent around Michigan's left end, which he did in a way which caused the crowd on the side lines to hold their breath. He was downed, however, after going about 10 yds. Here Kenyon got 10 yds. on off-side play by Michigan. Doolittle then bucked the line for 5 yds. and on the next two downs decided gains were made against the overwhelming avoirdupois of Michigan's line. Kenyon now had the ball on Michigan's 5 yd. line. The Michigan rooters were wild and kept up an incessant yelling in an endeavor to steady the team. Kenyon then bucked their line, but with no gain; on the second down Kenyon gained 3 yds.; on the third down, with but 2 yds. to gain, Michigan took a brace and held our line. Michigan took the ball and bucked for 5 yds. Keena then
punted into safer territory; Jahn was standing with outstretched arms ready to catch the ball when Caley, Michigan's big left guard, came down upon him like a ton of bricks, purposely interfering with the catch. Time was called for the first half with the score 6 to 0 in Michigan's favor.

In the second half, with an almost wholly different team, Michigan was able to play a far better game. Every man of their's who was the worse for wear was replaced by a new man thoroughly competent to take his place.

Doolittle kicked off to Michigan's 25-yd. line; the ball was punt- ed back to Morris. Kenyon fumbled on the first down and Michigan took the ball. Widman then circled right end for a touch down and Keena kicked goal. Score, 12 to 0.

Talcott returned the next kick-off 20 yds. when downed by Jahn. On the next down no gain, Widman circled right end for 25 yds. when tackled by Aubrey. Off-side play by Kenyon gave Michigan 10 yds. when Keena bucked the center, going clear through for a touch down and kicking goal. Score, 18 to 0.

On the next kick-off Whitcomb returned until downed by McCalla. On a fumble Kenyon took the ball. Off-side play by Michigan gave us 10 yds. In the next mix-up Jahn was so badly hurt that he had to be taken out. Aubery went to left half and Hazzard took Aubrey's place at right end. Morris then went around left end in a pretty run which again threatened Michigan's goal, but he was chased out of bounds. Michigan then got the ball on downs. They then bucked the line successfully, got 10 yds. for off side play, circled left end for 8 more, bucked for 5, and on the next two downs went through for another touch down. Keena kicked goal. Score, 24 to 0.

On the return of the next kick-off the ball went out of bounds. Kenyon got the ball and Aubery made a dash around right end for several yards. Doolittle made a beautiful punt. Off-side play by Kenyon gave Michigan 10 yds. Michigan then punted back to Doolittle and on the tackle Doolittle was hurt. On the first down Michigan got the ball. They then went around left end for 20 yards, bucked for 15 more, when Kenyon got the ball. Doolittle punted, but by magnificent interference on Michigan's part the ball was brought back to the center of the field. Left end was circled for another touch down, but Keena failed
to kick goal, score 29 to 0. Only a half minute for play remained. Doolittle kicked off and Coolidge tackled the man with the ball when time was up. The following is the line up:

**NOTES OF THE GAME.**

Michigan’s interference in the second half was something remarkable. Nearly every kick-off was brought back to the center of the field.

Doolittle’s punting was a surprise to our opponents, and in spite of the discrepancy in the weight of the two lines, Michigan never blocked a kick.

Coach Eckstomme was right down on the side lines, and most of the time on the field, for at almost every mixup one or more of our men were layed out.

As an instance of the scare that was given Michigan’s rooters when the ball was on their two-yard line, some of them conceived the idea that we were playing professionals.
Caley, Michigan's left guard, has the un coveted distinction among his own fellow students of being a "dirty" player. His interference with Jahn at the end of the first half certainly justifies the distinction. He was severely criticised by his own rooters.

Michigan's line averaged twenty pounds more to the man. Keena's goal kicking partly redeemed his miserable punting; only one goal was a difficult one however.

It seemed most natural to see Sawyer in the game, although in an official capacity.

Kenyon had quite a band of rooters for a game so far from home. Besides Sawyer on the field, there were the four substitutes Hazzard, Wertheimer, Williams and Brandon and Frank Cornwall. "Skinny" Armstrong, "Mac" Russell, Hart Stanbery, Coach Eckstorm, Manager Ganter, Lash, Fillmore, Burt and Huston.

To give credit where credit is due would be to make individual mention of every player on the team. Every man played to the best that was in him. Although the score looks one-sided it was far below Michigan's expectations.

Alumni Notes.

'93 Benj. H. Williams, who recently returned from Cuba, where he served as one of Roosevelt's rough riders, spent a few days at the opening of the term as the guest of his brother "Date."

'96-ex. George S. May, Jr., is court stenographer at Paulding, O.

'96. "Doc" Stanbery, W. C. Armstrong, and Charles Carey, were among the number of those who returned for the opening.

'97-ex. H. B. Sawyer, who served in Cavalry Troop A, of Cleveland, recuperated for a few days at Gambier, and assisted Coach Eckstorm in forming the team.

'97-ex. George Karl Kunst was captain of a company in one of the regiments of West Virginia volunteers.
'98. Constant Southworth and Phil Stanbery are studying law at the University Law School in Cincinnati.

'98-ex. Frank Cornwall, who is on an extended business trip throughout the West, stopped off at Gambier long enough to see his friends while on his way.

'98. Bexley, Rev. Lawrence Idleman recently returned for a few days.

'00. The many friends of Edward Daly were grieved to learn of his death which occurred so suddenly at his home in Toledo last September.

College News.

SOCIAL events this fall have been almost as scarce as our spare time. Social events, by the way, have that happy faculty of breaking the monotony of college life and their absence is deeply felt. It was not, therefore, at all strange that the College was depopulated on Thanksgiving day.

Poor K. M. A! how unfortunate that you had to suffer what properly should have happened to us—and yet, how much more easily you stood it than we could have done!

The Star course of concerts being given at Mt. Vernon is generally attended by Gambier students.

One of the largest bon-fire celebrations that has occurred for some time, was the one held on the return of our team after their somewhat crushing defeat of the O. S. U. team.

Quail shooting was recently introduced into the regular curriculum as an elective. Quite a number have elected it.
"Philo" Literary Society has begun a prosperous year's work. Quite a number of new and enthusiastic members have been admitted, and there has been manifested a decided increase in the interest taken in the work.

'Tis quite a pleasure to have in our midst once more Mr. Cummings, Mr. Parsons and Mr. Day.

The latest improvements are in the shape of a few gas burners in certain rooms in Ascension. Anything to dispel the darkness is acceptable.

On Hallow'een the students of K. M. A. were charmingly entertained at Harcourt. Dancing was the chief feature.
