Swanson Gets 25 Points

The win in the game over Leonard was unexpected, and the result might have been different if the final score were 6-6. The game also means much to the team’s prospects in the upcoming season. With the score 15-6 in favor of the Indians, it seemed that the game would be a rout. But the Indians fought back and made the game a close one.

In the game, the Indians scored five consecutive points in the second half. They scored five more points in the last five minutes of the game, which was the most important time in the game. The Indians scored five points in the last five minutes to win the game.

Dr.'s Titus and Blum Act

As Advisors

Kenyon's first Economics Club was organized last week. The initial meeting was for the purpose of selecting officials and outlining a program for the remainder of the year.

Robert W. Tidball was elected President, and John Titus and Franklin R. Marks were chosen to fill positions of Treasurer and Secretary. The purpose of the organization is to make trips to various areas of industrial plants for the purpose of studying new methods of production and economic conditions in general. The club plans to bring speakers on subjects of economic interest at least once a month.

Mr. Frank A. Wadsworth of Akron, Ohio, who is a member of the Board of Trustees, will take part in a two-hour conversation from New York on January 23rd. This broadcast is sponsored by the Delta Tau Delta Fraternity, which is a student group from the class of '26.

DENISON SHADES MAUVE
FINAL SCORE 27-22

Kenyon went to Ashland for its fourth game of the season and proved beyond the shadow of a doubt that a team can’t score only two field goals in an entire half and have hopes of winning. The score was Ashland 53, Kenyon 35. Morgan and Britts both failed the hoop for field shots in the first half, and Britts and Crumrine had added four free throws, but in the interim Ashland had piled up twenty-five points, ten of them long shots.

The game was exceedingly rough, thirty-one personal fouls being called. Kenyon had twenty-four throws from the charity line and made eleven of them ring true, but Ashland showed uncanny accuracy on their long shots, and the Purple never had a chance.

For the fourth consecutive game Swansen scored at least ten points and for the third time this season he played all forty minutes of the game. Gene Dick started at forward in the place of Bill Morgan. An encouraging feature was the return to the lineup of Phil Pace who played his usual consistent defensive game.

The inability to stop Ashland’s highly-quick center, the famed “Lanky” Cleban, was disastrous. Cleban usually finds no trouble in scoring twenty points, and tonight was no exception, as he chalked up twenty-three.

DENISON GAME

Kenyon went to Granville on December 17 with two games under their belts, both victories, and hope to add to this mark against Denison, but the inhabitants of the “Wig-wam” had other ideas, and the Purple was nixed out by a 27-22 margin.

Even eleven points by Len Swansen were not enough to give his team a victory, as he received little aid from his mate. In all Kenyon tallied only seven field goals, and Swansen made four of them.

Eustis, who looked so good against Franklin, failed to click this time, and Crumrine, who played the entire game at center, was able to garner only a free throw during the evening.

The game began very slowly and before long it was noticeable Kenyon’s game was definitely off. Denison, on the other hand, worked like a unit, and always managed to stay in the lead by a few points.

The score at the half was 15-11, and the second half was almost a duplication of the first. Swansen played the entire game and has now played in 111 minutes out of the 121 his team has played.

IF YOU FEEL WORN OUT... GET A LIFT WITH A CAMEL!

ALL TOBACCO MEN KNOW:
"Camels are made from finer, More Expensive Tobacco—Turkish and Dominican—than any other popular brand."

EDWIN BOYD, ’35—Engineering Student:
"An engineering field trip is enough to give you an appetite. When I’m bagging a toothbrush and tripod across rough country...taking the hills as they come...fighting through brush and woods...I’ll admit I often get tired clear through. No wonder you’ll find me smoking a Camel most of the time. For I’ve learned that a Camel restores my energy—cheers me up—makes the miles ahead seem easier. And why not enjoy a Camel whenever I want one—Camels never get on my nerves!"

So far twelve games have been played off in the inter-mural basketball contest. South Leonard won over Middle Leonard, East Wing, and West Wing for the lead in the White League and will probably edge out Middle Kenyon for the championship. GROSE POINTE DEFEATS KENYON

In a bitterly fought game, the Grosse Pointe Polo Team upset Kenyon, January 5, 1935. In a game played at Detroit's famous Coliseum. The contest was witnessed by 3,000 polo enthusiasts, the largest crowd to see a Kenyon team in action to date.

Kenyon entered the game with a four goal advantage, the Grosse Pointe team boasting of a fine goal handicap while Kenyon had but one goal handicap. The first two goals were scored by Kenya but the Opponents gathered ten seconds had elapsed. Grosse Pointe soon countered with two goals and the score at the end of the second period was 6 to 2. The second chukker was very close, with the Defenders having a slight advantage in scoring with four goals to Kenyon three, January 4.

The third chukker showed no very marked superiority for either team, but again Grosse Pointe maintained their slight advantage of one goal. The score at the finish of the last was 6 to 5, but with the loss of goals because of fouls, Kenyon's lead was cut to 9.

The fourth chukker was one of errors for the Kenyon horsemen, for the Detroit Pointe team applied themselves to the task and cut short to score five goals in Kenyon's lane. Because of slower pass in this chukker, the Kenyon team was able to do little in other attempts or defensive attempts and the final score was 14 to 9.

February 3, the Kenyon and Grosse Pointe teams will travel to Cleveland where they will play the Cleveland polo card. The game will be played at the Trump A. Trumy
