INTERNATIONAL RELATIONS CLUB MEMBERS
ACTIVE IN INTERCOLLEGIATE MEETINGS

League Assembly At Denison
And Meet At Western
Participated In

The International Relations Club, under the presidency of W. R. Critch, has had a most interesting year. This club, which first met here last year during the presidency of Bob Boyd, William Wright is secretary of the organization and William Keller serves as treasurer. After an exceptionally successful year, the program is to be continued.

During the present college year, this organization has been exceedingly active and has taken some of its more active members to meetings with other International Relations Clubs. The first of these encounters was held at Western College and was attended by Messrs. Keller and Stouffer. The meeting was an interesting one.

Just recently the club sent two representatives to the International Assembly which was held at Denison. The Kenyon club representing Eastern Ohio and discussing the discussions. The delegates were up to their usual fine standing in the field and were able to present a fine organization to their colleagues.

Kenyon students have been active in several intercollegiate meetings and are taking an active part in the affairs of the League. Kenyon students have shown that they are ready to compete with the best of the country.

BETTER SEMINAR FACILITIES NEEDED

In the past two years, at Kenyon College, there has been a great deal of progress in the field of seminar work. In the case of Colgate, a new system of seminar work has been developed and in the case of the University of North Carolina, there has been a great deal of progress in the field of seminar work.

Both of these organizations have been able to provide an excellent field for seminar work and both have been able to show the importance of this work.

The current year has seen the advent of the seminar in a new form. The seminar is being used as an important part of the educational process. This method of teaching provides for a great deal of flexibility and can be adapted to the needs of the individual student. It is upon this foundation that the seminar system is based.

ADAMIC LECTURE
HERE ON YUGOSLAVIA

Tells Of Recent Visit To
Land Of Birth

Discussion of Central European Affairs

On Thursday afternoon, members of the student body were privileged to hear Mr. Louis Adam, who came to the college as a speaker in one of the lectures of the Dartmouth series, which are presented during an academic year.

Mr. Adam, who served in the Yugoslavian army during World War I, is now a professor of Yugoslav history at the University of Chicago. He is a recognized authority on the history of Yugoslavia and his lecture was of great interest to the students.

Mr. Adam's lecture dealt with the history of Yugoslavia, its past and present. He discussed the political and social conditions in the country and gave an excellent account of the people and their way of life.

He also gave a detailed account of the country's development, its economic and social progress, and its cultural life.

The lecture was given in the Dewey Room and was attended by a large number of students and faculty members. The students found the lecture very interesting and informative.

Swanson Leads With
Twenty Points

Final Score 36-28

A surprising Kenyon team, playing with the most amazing form that they have shown to date, completely freed themselves from their losing streak. This expectancy is, and, raising in their wrath, turned on the highly-rated Mt. Union outfit to overwhelm them with a breath-}

The game was long, hot and weary when it was evident that this was Kenyon's night. They played a game flowing out of the player, that was turned on, that was turned on.

At the half the game was Kenyon behind, but the fans rather

Dramatic Club Now
At Work on Plays

Society To Attempt New Type Of Play

The Kenyon College Dramatic Club is once again at work as our next list plays are being presented, Thursday evening March 26, 1935. As a sign of the new proposals, this time the club will be presented by the group in the past by the group a comedy and a tragedy have been chosen as the vehicles to be presented. The comedy is called "Free Speech." It is a farce and takes place in a Russian Prison. The play is presented in the open space of the field. It is a tragedy with the group being presented. ASHLAND DOWNS MAUVE

About the only thing you can say about the Ashland game is that Gillen was here again. Thush ought to speak for itself. Gillen again gave a demonstration of shots from all angles, and managed to score twenty-five, twice less than the entire Kenyon team. But the task one had some help from his mates and the final score was Ashland 38, Kenyon 28. Gillen was well remembered by the fans, for his demonstration at Gambler in 1914 was also remarkable. Gibbs started this ago eight, running around the floor with ease and playing with the neccessary. Gillen fought hard but could not compete with the giant and his team. Ashland was leading only 10-9 at one stage of the game, but that was the last time the Purple had a chance.

Jimmie Brooks showed improved form and came on driving points and Swanson killed twelve, but even this combined threat was not enough to contend with Gillen.

LETTURES SCHEDULED FOR NEAR FUTURE

Dr. Hans Tietze

Lectures will be presented in March by Dr. Hans Tietze of the University of Vienna, who will deliver two lectures on the problems of modern art, including a discussion of the present European situation. An exhibition of works by Sir Herbert Read, a prominent European scholar and author, will be presented in April. The exhibition will be sponsored by the department of art and will be held in the auditorium of the University of Vienna. The lectures and exhibition will be open to the public, and admission will be free.

PRINCE ALBERT

The Kenyon Alumni of Northern Ohio held their Annual Meeting at the Hotel Whitaker, Fort Myers, on Saturday, February 4, and seventy-seven alumni, undergraduates, and guests were present, by far the largest attendance at a Kenyon gathering in many years. A luncheon was served of the finest meals served on the East Coast, and the meeting was concluded with a series of speeches by the alumni. The meeting was adjourned at 3:00 p.m.
