Otterbein Formidable Poo After Trouncing Truman By Score of 24-7

INVADES HEAVIER

Oberlin and Mt. Union Teams, Remaining Opponents, Strong Saturday

Coach "Scrappy" Lambert is in the process of preparing his Purple devils to meet an up and coming team from Otterbein this Saturday afternoon at Westerville. This will be Kenyon's third clash of the season in the Ohio Conference, and will put the team either above or below the .500 mark in the standings.

At the start of the season it looked like this Otterbein game might be one which Kenyon would win handily. The Purple devils had won its first three games, and had not won until last Saturday when it plugged through by the score of 11-0. It is Hamilton's fourth defeat of the year, however.

It was only a week or so ago that Kenyon hurriedly managed to take Otterbein over in Berean Bowl. So, it comparison of scores means anything, Kenyon must be prepared for a good battle with the Westervilleites.

The Otterbein team is built most by around the backfield. He does the punting, running, and most every thing else that a good back is supposed to do. He is an exceptionally good freshman back and has a large following in the fifty yard line.

Kenyon will be favored. (Continued on Page 2, Col. 1)

SPEED BALL BEGINS

November 4 is Opening Day Of Next Sport

The intramural speedball sched ule comes next Monday with four games to be played on Mondays, with a field vacated by the class east. This means the Purple team may be called to duty at the game to be played on October 6.

The game will be played at various locations in the city, and will be a continuation of the game to be played on September 29.

The Intramural speedball schedule for the season will be as follows:

White League games at 3:15:
North Leonhard vs. South Leonhard
East Wing vs. North Hanna
Middle Lane vs. South Lane
Purple League games at 4:15:
Middle Leonard vs. Eastery
Middle Ln. vs. Middle Hanna on Field Two.

CHANGES MADE IN INTRAMURAL AWARDS

Division Must Be Twice Winner In Sport To Retain Possession Of Cup

The Intramural Board has approved a new system of awards established by the present executive-intramural program. With some twenty spots on the schedule the expenditure for individual clubs may be prohibitively high. The Board has decided that cup awardees shall be named as the winner of each sport, but that cup shall not become the permanent possession of any division that division has won the sport twice, not necessarily consecutively.

In addition to the temporary cup that after a sport shall be won a modulation to be kept permanently.

The medals will be made by the cost of each sport, but will have space on them for the name of the sport, the winner, and the year.

In the gymnastics Board plans to play a game that will run the property of the Athletic Association for each sport, inscribed with the name of the winner of the year.

Therefore, there will be a passenger insured in the record of intramural champions in each sport, in addition to the medals and the two-year cups.

KENYON CLAN WILL ENTERTAIN ATHLETES

Former Lettermen To Be Welcomed At Big Celebration After Oberlin Game

The Kenyon Clan launched itself upon the most ambitious program in its history this past week, with plans for the coming year at a meeting held Wednesday night in Putnam Hall.

The first event to which the Kenyon Clan has ever been directly invited is a party and smoker to be held for athletes, alumni letter- men, and fathers of lettermen now in college. Entertainment is to be a part of the program and the Clan is making a great effort to bring all of Kenyon's old athletes "glow" together at this affair.

This "reunion" of Purple athletes, present and past, will be held in the evening following the Oberlin game, which is the last game of the season.

The place has not yet been designated, but other arrangements are already under way for the biggest gathering of athletes in the history of the Kenyon Clan.

BLITTER OUT SOON

Bob Mueller, clan president, announced that the Kenyon Clan Blitter will be on the press and will be distributed soon.

His Blitter has been made possible through the efforts of Bill Power, Clan editor, Charlie Lord, vice pres. and Bob Mueller, Ooe. The Blitter will be given to all alumni in Kenyon with- out charge.

KENYON TEAM JOINS POLO ASSOCIATION

Aid of R. A. Weaver, '12 Will Enable Team to Enter National Matches

TO PLAY OHIO STATE

The generous gift of Robert A. Weaver, '12, the polo team has been able to join the Intercollegiate Polo Association of the United States National Indoor Polo Association. The Kenyon team is now eligible to play any registered team in the country in a national handicap basis.

Because the polo team has joined the indoor polo association, it will be eligible to go to New York next spring to compete in the national championship matches. Between now and then, however, the team must defeat Ohio State's riders, but if the game cannot be arranged with State, the Kenyon group will still be in a position to go to East. Plans are being drawn up for a game with the Ohio State team before December, but no definite date has yet been set.

Kenyon College, Gambier, Ohio.

ELEVEN JOINS COUNCIL

The intramural cross-country meet to be run by a three-man team from each sport, including the first-three-man novice course, has been scheduled for the afternoon of Nov. 13.

There will be a three-man team from each division, and no man will be eligible who has not covered the course at least twice times for training. The training period opens tomorrow, which is expected to end the first three days.

Ten courses selected will start at nine each, pass around the top of the hill, to the Hotel Hill, down the hill, over the wagon bridges, and across the road to the "T" on the Mink's and a half from the bridge turn and continue for a distance, coming out on the Mill and much of the routes of the Kenyon last Saturday on Huffy, and end again at Roscoe Field. The course is entirely on dirt, but will count as they come in, the first man getting one, the following two getting points equal to their position in the field, until the last man gets thirty points. The total num- ber of points will win the meet.

INJURIES FATAL TO W. C. COLWILL

Prominent Gambier Citizen, Known To Alums As "Mark Hanna," Is Victim of Crash

W. Clinton Colwill, known to several groups of Kenyon men as "Mark Hanna," died October 28 from injuries received in an automobile accident on October 25.

Mr. Colwill was fatally injured when his automobile collided with another car in the village of Brands-

W. C. Colwill was long a prominent
citizen of Gambier. At the (Continued on Page 2, Col. 4)

Four Hobart Touchdowns in Last Quarter Completes Kenyon Rout

COACHES TRAPPLE PASS From Sammon To Score Lone Kenyon Tally

A highly underestimated Hobart el der, playing with entirely unexpected and precision, blanked their way, Saturday, to a tumultuous 34-6 victory over the Purple, and never once relinquished the latter in so doing.

The Genevans were big and that fast, and powerful, and deceptive, and had scored. But the Jerseys were in for a winning day, they played big football, and played it dazzlingly and maniacally with four touchdowns in the final quarter. They tackled ferociously but fairly, and every de- fender clicked, proving that the days of football inferiority, are, a thing of the past for Hobart. It is difficult to say what the final minutes of the game would have been if Kenyon men had not been injured, but alas the injuries were due to undauntedness by Hobart. The final result is probability surred. But it is too late to dis- cuss the game's full strength was not avail- able to his side, and the day's by his own desire. The Purple faced the Hobart head on and played the last game of the year, and played it with spirit. Then when Hart's hand had stopped on the twenty-yard line, Buick was strong enough when Light- house Harry Brown had his head bumped, and Hack Schubach the injured body to four by carrying his knockers. So, con- sidering all these handicaps, the (Continued on Page 2, Col. 1)

CALENDAR FOR THE WEEK

October 29 to November 5

Friday, November 1 – Founders’ and Chamber school at 11:15 A. M.
Saturday, November 2 – Football, Kenyon vs. Otterbein, at Westerville.

Founders’ Day

Saturday, November 1 – Founders’ Day. Morning classes will be cut to 11:30 A. M. Lunch hour will be served, and the service in the chape- l at 11:15. Attendance at the service will be compulsory, and rates will be counted as Sunday use.
Rest.

triple-thread-roofed.

Hobart Kenyon lied, stepped on the shoulders of the Northsiders winning the touchdown. Mal Dolig's running and passing made up the spectacular plays of the afternoon.

MIDDLE HANNA, 60

Although North Lebanon made steady gains around Middle Hanna's ends throughout the game with them last week, it was not until the last two minutes of the Northsiders scoring the winning touchdown. Calling's attempt to kick out of bounds was plowed deep in his own territory was blocked by one of his own scrimmage players and four days later went over the goal line for a touchdown.

Flying Debut Laces Balance And Takes Fatal Blow

This bit of news is in the nature of a national sensation and the Ethiopian situation is dwarfed by the story.

New Dispatch from Gambier Star

"Local Shelter round the bend today took all of the station Birdman's latest activities were made known to Sheehers. True those rules are to all nations as frantic efforts were made to secure certification of report from Deputy himself.

"Jenje' Barber, one of the local shelter leaders sent the following letter to Brumton upon hearing the story:

THE KENYON COLLEGIANS

Published in 1916

GENEVANS TRAMPEL PURPLE ELEVEN

(Captioned from Page 1)

Kenyon saw action in all the 9 games.

The injuries made it necessary for "Peavons" Borton to see service in a number of games through with a great performance. Later, it was necessary for us to take care of his brother Dave in the basement and the shift brought Bob Porter, "BEA", to the bench at end.

The first quarter promised to prove the best as he had on the four yard line as the quarter ended. Three lines backs in the second quarter prepared the way, and soon afterwards a long pass produced another tally for the Bulls from the five yard line.

Kenyon then made his only脚r, coming back strong at the goal line for a touchdown, well executd on a twenty-yard yard from Samson to Porter, who caught the ball on the yard line and stepped over the goal to bring the score to 16. Samson missed the try for the extra point.

The third quarter was uneventful, but in the final count. the Ho- bart boys stepped in to the gain and left Kenyon in a crowd of Green Wave. Four touchdowns they had, but not one point in which one on an old run. This brought the score to 16-0 in the same end, and the Maroons went to the dressing-room for a wellearned rest.

The individual star of the game was Hobart's 210 pound King, who was a terror to the line and the summer. He was not a crippled man but a line plager or exceptionally, but this threat was more than a threat, it was a prom-

nise. Another Kenyon men saw action, and got a real baptism of fire, but we understand that Hobart players Army next year as we are employing them.

Score by quarters.

Kenyon 1 6 0 0
Hobart 0 3 2 1

COUNT CINDERS LAID

New Tennis Courts Near Completion After Delay

Kenyon's prospect of having four new tennis courts near completion after delay. The several grades of cinders (from coarse to fine) have been laid on the site adjacent to tennis field and will soon be sur-

rounded by a fine and sheltered flower bed.

The courts will be permanently fenced with live-

ing wall and they will be playable almost immediately after a rain.

Chick Meehan's Inside Tips on Watching Football

At the game, Camels ease the strain—and after it's over, when you feel 'all in,' get a lift with a Camel!

You Meehan, my sister Betty's what name inside cope on football.

I'll be dead to obsolete makeup in the stands and will watch the practice game.

What a prank! I took eleven men to make that pass and perfectly look at this chart.

Forward pass from punt formation.

Well, Betty, did you learn something?

Remember, watch the linemen.

Betty sees a back get off a good run-point.

A CAMEL ALWAYS RENEWS MY FLOW OF ENERGY WHEN I NEED IT—AND THEY NEVER GET ON MY KNEES.

A SPLENDID RUN—BUT GOOD BREAKS MAKE IT POSSIBLE.

YES, THEY CERTAINLY ARE MILD!

A SPLENDID RUN—BUT GOOD BREAKS MAKE IT POSSIBLE.

GET A LIFT WITH A CAMEL!

Team Prepares for Otterbein Eleven

(Continued from Page 15) age in weight. The Otterbein line averages a little less in weight than does Kenyon's regular line. The backfield average is slightly lighter than that of the Purple.

However, weights and compactness of some men will make the game more interesting when two-eleven take the field. Kenyon you will need every bit of its power to stop an Otterbein team which should be favored by its victory over Hiram.

Kenyon has three more games remaining on its schedule, two of which are to be played at Rosecrans Bowl. These contests are with Oberlin, Mt. Union, and Oberlin. It is interesting to note that the last two teams did beat Saturday.

Union tied Wooster, 1935 OAC Conference champions, 7 to 7. The Mules won by a series of four moves which took the ball from Mount's 32 to Wonder's 4 yard line, from where Stalker won carried the ball over the goal. Oberlin gave a good account of itself in holding Case in a 12 to 4 victory. Case had previously had a good Cornhusker Tech team to a 6 to 0 score.

First Basketball Practice

Coach Lambham has announced that organized basketball practice for men not on the football squad will begin about November 4. There will probably be one night practice and three afternoon practices a week until football is over, but the practice will open the first time the bartenders are up, so that any man who wishes to do so may get and start warming up.

There will be a preliminary meeting of men interested in basketball in the Lounge tomorrow at 12:00.

FRESHMAN INTRA-
MURAL MANAgERS

The Athletic Department has an-
nounced that freshmen applicants
for intra-mural managerial posi-
tions are needed. Under the new in-
ternal program there will be a
system whereby managers will
work up through their four years
in college, much as varsity mem-
er are do, until in their senior year
two men will be awarded awards
and letters for their work. At pre-
cent Larry Kenyon and Don Wilcox
are doing the managerial work, and
several others soon, preferably fresh-
men, are needed as assistants.
