UNGLING SHORE

The diamonds are at their most
current appeal, an exciting
and worthwhile performance.
Although the weather forced a
shorter season, we went down the
E. H. Hildebrandt Bobsled Track
here. He was welcomed with open
arms and cheering. The snow
started flying as the 12
man-made structures, which
pinned the crew, even though a few
blood vessels burst and blood spurted
on the floor. Two Gillett's reach
were featured in a short
section called "Ticket.

Camels

Of course you'll give cigarettes for Christmas. They're such an acceptable gift—such an easy solution of your problem. And Camels fill the bill so perfectly. They're made from finest, most expensive tobaccos than any other popular brand. They are the accepted cigarette of the social, business, and athletic worlds. Their finer tobacco gives that pleasant "lift"—that sense of well-being so appropriate to the spirit of Christmas.

Prince Albert

Fine tobacco for Christmas. For more than a quarter of a century, the mellow fragrance of Prince Albert has been as much a part of Christmas as mistletoe and holly. So to the pipe smokers on your Christmas list give Prince Albert, "The National Joy Smoke." It's the welcome gift. For more men choose Prince Albert for themselves than any other pipe tobacco. Let every piper of Prince Albert repeat "Merry Christmas" for you.
RELATIONS CLUB HOLD PRACTICAL

Short talks on events and problems at the recent conference of the International Relations Club were given by three members of the student organization at its regular meeting last Friday evening. Robert L. Boyd, '34, gave a brief account of the round table conference which he attended while at Huntington. He spoke of the various views voiced by representatives of other clubs regarding Hitler and world trade.

William F. Weeks, '35, read the minutes in regard to the neutrality policy which the United States took early this autumn. Lawrence A. Seymour, '37, con
dicted the talks for the evening with a brief discussion of Japan's recent activities in northern China.

Sammon Leads Scoring with 18 Unique points, twelve of them coming on shots from the floor, the report goes. Most men seemed hampered by the new three-second rule and was held to 29 points.

Kenyon's Lords, with a backcourt of only a week's practice, journeyed to the draft town of Mansfield, Ohio, on Tuesday evening and lost the curtain raiser of the home season to the powerful Lincolns of Alfred, Bob Smith, 14-24, Pod by their towing forward. Games, who turned the wheels, and aided by the warm audience of offense Howard, whose knowledge of the rules seemed somewhat thick, Holbrook had little trouble in coping with the jocks. The Purple started the season with four sophomores in the opening lineup, Bob Smith being the only returning veteran to take the floor at the opening whistle. Nine players in all were used by Coach Lambert, and Countless was the only other experienced man besides Smith to use service. Jack Hamilton led the pack with thirteen points, twelve of them coming on shots from the floor, the report goes. Most men seemed hampered by the new three-second rule and was held to 29 points. HH
