Since the installation of Mr. Wm. E. Becker as engineer of the college—Kenyon, a college which has always been famous and distinctively the most beautiful campus in Ohio, has been groomed and pruned until now the campus wears a holiday dress continually and is ship-shape enough to take away the breath of college visitors.

Mr. Becker's activity in college building maintenance and his interest in campus beautification has won him a place of respect among Kenyon men. Kenyon men point with pride to showing returning alumni the results of Mr. Becker's industry. New walks, trip paths, new lawns, the beautification of the parkette behind the railway station, new trees on the campus lawn, and the diligent care of Kenyon's beloved trees have been the result of his efforts.

Returning alumni cannot help but enjoy returning to a campus so loved by them which shows the result of ambitious, artistic occupation.

The largest senior class in the 131 year history of Kenyon College will be graduated at the 1953 annual commencement on Monday morning, June 13, according to President Gordon Keith Claiborne, of Silver Spring, Maryland.

The fifty seven seniors who are expected to receive degrees will hear Dr. John Faucett Fulton, M. D., Sterling Professor of Physiology at the School of Medicine of Yale University, deliver the commencement address. This is the world's most eminent authority on the human nervous system, particularly reflexes in regard to the spinal column.

Dr. Fulton was a Rhodes Scholar at Oxford University from 1921 to 1923. The Rev. George Davison, one of the outstanding clergymen on the Pacific Coast, and Rector of St. John's Episcopal Church of Los Angeles, Calif., received the honorary degree, Doctor of Divinity, of Bard College. Dr. Davison was graduated from Kenyon College in 1912 and the Theology Bachelor of Divinity in 1914. Author of "The Episcopal Church," he is a professor of church history in the University of Southern California (Continued on Page 7)

Predicts Successful Year
For Squad Opening
At Denison

Thanks Senior Men

A few words to the squad of next Fall.

You follow in this year's spring practice succeeded in getting to the right start for which I had hoped. Probably the most promising results of our spring season was the fact that if, of you stayed out for the entire practice and showed a greater and a more sincere type of enthusiasm to improve and equip yourselves for the coming fall.

Kenyon's teams have, in the past, lacked this true spirit of team organization which is necessary for its success. A football club is not merely a group who play as individuals, but is an organized group of fellows that must work together as a team with one common purpose, and one man from lack of condition, knowledge of plays, or lack of practice, can be disastrous to the entire squad. So, fellows, let's put our boots together this fall with a willingness to give and take, and each to carry his responsibility of doing his part toward giving Kenyon a successful season.

We open our season Sept. 30 with Denison, a game I'm sure you, as well as I want to win. In order to have the necessary grip to get in shape for this game, we must be

POWERFUL KENYON CHAMPIONSHIP SWIMMING TEAM

First Unbeaten Season Since Nineties Scored By IME's Tankers

The Kenyon college swimmers in their last season demonstrated that small colleges as well as large can and do have successful swimming teams. Coach Clock has his team ranked in the first few named and undefeated Trophies in the state the past season. The '37-38 Seaquas had not lost a home meet in two years. This year, in raising up eleven eligible swimmers in the team added up to a total of 500 points to their opponents 225. This of course does not include the 16-point gained in winning the conference championship. The record of the participants is even more astounding as one considers the size of the schools against whom they competed. Wayne, Carnegie Tech and Illinois. Among the many individual and team victories of the Kenyon swimmers last Oberton, Wittenberg, Ohio Western, Cincinnati, Case and Wou-

OUTSTANDING POLO TRIO BRINGS LAURELS TO KENYON

With only one veteran left, and its substitutes, the Kenyon polo team entered last fall on what was the most successful polo season in its history since its introduction three years ago. The Kenyon poloites this year played nine games against teams from many of the West Coast cities. Kenyon won six of the nine games, lost only one by a close, hard-fought battle, and defeated the strong Cornell cavalry team, after Kenyon had defeated the Cornellers twice this year.

Another interesting point in this year's Kenyon polo season was the double victory over Cornell. Had a third game been played between the two teams, Kenyon would have won.

PURPLE NETTERS UNDEFEATED FOR SECOND STRAIGHT YEAR

Kenyon college's net team is definitely one of the strongest of the entire district.

Outstanding among the Kenyon victories was the senior class panel that helped to handily defeat the Wayne University team in the national tournament last May.

The team was then the strongest in the country. This year, they had the senior class panel and the Kenyon college tennis team was a mighty aggregation.

The net team received the Division title for the second consecutive year when Minnie Lewis and her teammates and captain, Ed McNeil, battled it out in five sets, the latter winning by only ten points.

Incidentally, McNeil is a National Indoor champion and ranked nationally.

McNeil's uneventful tournament was evident in the final sets of the match as he out-valved his playmate to capture the last set easily and retain the title he gained last year. The doubles also fell to Kenyon behind the powerful assets of Kenyon's mighty doubles team, Willard Boren and George Pryor who had little trouble in disposing of any of their opponents.

All four of the first Kenyon players have winning strings in college tennis, and unorthodox work, far outdistancing the wide array of twenty-three doubles matches.

Governor will be George Pryor, high-kicking number three man, who has

played so admirably the last two years.

Outstanding among the Kenyon victories was the impressive debut that they handed to Wayne University in the national tournament last May.

MRS. BESSIE TRAINER RESIGNS COMMONS POST

Closes Nine Years Of Serv- ing Kenyon Men

"After serving the College about nine years, Mrs. C. C. Trainer has resigned her position as Di- rector of the Commons. She will leave Kenyon with the thanks and good wishes of the whole commun- ity, having provided for its many and various wants by having maintained a standard of service in Peirce Hall which makes the building the envy of institutions not only for its architecture but for its efficiency. In thanking her for her splendid work, I want to give her a com- Pliment as well as the members of her staff who have cooperated with her loyally and with good spirit in Peirce Hall and the Alumni House, will be under the manage- ment next year of a Diestin and Asistant Asistant, The Asistant who was Miss William Clark, the Asistant will be Miss Mildred Kimball. Women who have had extensive experience in the management of institutions in various parts of the country. Miss Clark took her train- ing at an Institutional Management at Simmons College in Boston and of recent years she has been Institu- tional Manager at St. Mary's College.

Miss Kimball took her bachelor of science degree in Home Econom- ics at the University of Minne- sota, spent an extra year at the same aserating Institutional Management at the same University, has directed in institutional work in other parts of the country, and ultimately joined Miss Clark as Assistant Asistant at Rockford College.

The Diestin and the Asistant Asistant mean to con- tinue along similar lines the splendid work she has done under Mrs. Trainer's management. They will visit the College and Mrs. Trainer will show them about Peirce Hall during her absence. Undergraduates who wish to visit Peirce Hall will apply as usual to Mrs. Train- er.

COLLEGE AWARDS HONORARY DEGREES

(Continued from Page 1) and received an honorary degree of Doctor of Laws from that univer- sity in 1950 for distinguished Chris- tian service.

The Doctorate of Sacred Theol- ogy was conferred upon Dr. Josephy Francis Fletcher, W. Director of the Graduate School of Applied Be- ligion, Cincinnati, Ohio. A gradu- ate of the University of West Virginia and the Berkley Divinity School of New Haven, Conn, Dr. Fletcher, a member of the Royal Historical Society, served as Cur- ate at St. Peter's Church, London, from 1920 to 1921. From 1921 to 1925 he was chaplain and lecturer at St. Mary's College, Raleigh, N. C.

Dr. Uvell Ernest Watson, Be- dell Professor of New Testament and Literature at Wesley Theologi- cal Seminary for more than 35 years, was awarded the degree of Doctor of Letters. One of the most learned and most influential men ever to teach at Wesley or Kenyon, Dr. Watson, as teacher and friend of theological students, has played a truly major role in the activities of the Baptist Church. In 1954, he has served as Professor Emeritus since that date.

annual report of the college
and preparatory schools.

The Kennesaw College - Gamblor.
Ohio

was awning a new system of
prize scholarships in 1939.

Kennesaw was the only one

in this group that is using a
similar method. The system
is based on the following
principles:

1. The awards are given to

students who are accepted
by the college and who

pay the full tuition fee.

2. The awards are

awarded to students who

are attending schools that

have a high reputation for

preparing students for

college.

3. The awards are

awarded to students who

have a high school average

of at least 90.

4. The awards are

awarded to students who

have a high school average

of at least 90 and a
