Pre-Season Exhibition Results in Two New Pool Records

The Kenyon Fencing season opened last Friday with a triangular meet in which the Gents were able to win three out of four possible points, setting a new triangular meet record for Kenyon. Though the men were held and the outcome could not be predicted, the record was definitely set.

The meet, held in the Kenyon College Pavilion, featured a variety of events, including a foil relay, epee relay, and sabre relay. The results were as follows:

- **Foil Relay**
  - Knox College: 1st place
  - Kenyon College: 2nd place
  - Williams College: 3rd place

- **Epee Relay**
  - Knox College: 1st place
  - Williams College: 2nd place
  - Kenyon College: 3rd place

- **Sabre Relay**
  - Williams College: 1st place
  - Knox College: 2nd place
  - Kenyon College: 3rd place

These results not only set a new record for the Kenyon Fencing team but also highlighted the strength and competitive spirit of the college's fencing program. The Kenyon Fencing team, under the guidance of Coach John, hopes to continue this momentum as they prepare for their upcoming season.

In their initial game of the sea-
son last Saturday evening, the
Kenyon Lords were visited by a
well coordinated squad from Ash-
land, by the scored one of 64 to 58.

The Lords faced a well strapped
team of championship material; a
team which has speed, resource,
accurate passing, and a habit of
supporting the running game fre-
quently. The Purple and White put
on a battery that had inaccurate
passing and finally were given
opening for their ability to
finish.

The first half was a see-saw bat-
tle of sportmanship like basketball
but the deadly courtes of the Ashland
squad totaled 11 points to the
Lords’ 7.

In the last minutes of the sec-
ond half Kenyon scored 7 points. It was again a substitute
squad that Kenyon ran up to seven. But that substitute team was
all but entirely Ashland’s last year’s Varsity. It was an unusual
team that the capture of last
year’s Varsity started the.

Kenyon’s most accurate
team in comparison with the first half consisted of every backfield on
football on the part of the Kenyon
squad.

Knecht, an Ashland sophomore
took top scoring position with the
bald of the 17 points. Red Thomas

The Lords played a careful game of ball during the first 12 minutes of play, but then began to

laxed and their passes were weak.

At the end of the half, the scores were: 17 to 35.

The second period was a repeti-
