Two Doing a Good Job

Our monthly subscription to "Silk" edited by Dave McDon- nel was delivered to Kenyon Col-
lege. When McGovern and Winburn took over the majority of the maga-
zie as an editor and business man-
er year ago, it seemed as if they had
their backs to the wall, but it appears that
they have found a way to make the magazine
better than ever before.

So say the witness.

Two Things That Might Have Happened

R. C. Shannon and Daryl Pettingill were
seated in their seats in the col-
court when they heard the sound of
the ball going out of the gym.

They both got up and went to the

court and played some
basketball.

Meet Are Last Two
On Lord’s Schedule

The present College season started at Gambier last Saturday when the men lost their first meet of the year. It was an early start for the Ohio Conference, but with encouragement from the fans, the Olin boys did well. The meet which will be tough to top will be on March 3 and 4.

Movie Committee To Run Last Reel Twice Upon Request

Because of the great climax to next Sunday's picture in Pilsen, the movie committee has promised to run the last reel of the film twice, if the audience want it.

The story is that of a school student who falls in love with a pretty but penniless girl, and when his family is informed of his passion, they threaten him with disinheritance and ostracism. The swiftly moving plot carries this youth through a series of adventures which end with his heroically and bravely gaining his society for the sake of a girl of his own choosing.

The final event is so surprising and the story so exciting that the movie committee believes a large part of the audience will request an opportunity to see it again. They promise to show it even if this is the case.

The short feature will be another of the ever popular Adventures of a Teenage Detective. "Landing at Fast," and exciting adventure comedy, will be played before the show.

MEET EVERY SATURDAY IS PLAN OF FLYERS

Saturday afternoon Gambler air will be broadcasted over the air by the Keanon college Firing Club. A new feature of this broadcast is planned for next week. From now on, Saturday afternoons will be reserved for asking close confidants, and these lads will hold informal impromptu meetings. "Those meet," explains club secretary H. C. S. B., "will be of value in preparing for the staff inter-collegiate competition coming up at the end of the semester. We need competitive practice, and this is the best way to get it."

The club leaders will regularly have stimulating contests, and there is plenty of hand-drawing and paper making in the near future. At present, assistants are Bob Log, Robert S. Wood, Mary Moody, Bill Allman, and Hallock Holmes.

MIDDLE LEONARD LEADS IN INTRAMURAL RACE

Scott Logan is close behind with a total of 139 points. The men's division is gaining from competition now in progress are not as in the following subdivisions: M. L. 129, M. L. 169, M. W. 151, M. REVAMPED SWIM-SQUAD WHIPS CONCORD STATE

Using a revamped squad which did not include Dave Hove, an explorer, the Kenyon men completely swamped the Concord State Teachers College by a large score. Hove swam only in exhibition and gave backstroke a chance at the time. The starting line was swam and also swam on the winning relay team. Thus it is enough the poor competitors did not have their performance by the Kenyon team. With old Distance and under the well ordered team set a new pool mark. Bill Griffith's time set a mark for the 100 yard backstroke.
