Kenyon Mourns Bishop Stewart

Kenyon College lost one of her most eminent "adopted" sons yesterday when Bishop George Craig Stewart was both a great man and bishop. Those of us who knew him will remember him as an outstanding example of Christian Gentleness.

The idea that he had a political mind, a political purpose, and a political method, that the traditional dogmas of Anglican Church's historical values have a place in modern society, and a solution to modern problems. He has fought, and he lived, he died, for a form of Judaism that is the essence and the heart of modern Judaism.

The idea is that the way we are going to do it is the way that he did it.

Keep Golf and Baseball off Campus

One of the things which we outlined for the Student Council to regulate was the playing of baseball and golf on the campus. In a sense this does not matter for the College students. But for the athletes, who play golf and baseball on the campus not only endangers property, but it goes against the principles of the College.

The College feels that the campus should be a place where the students can study and play, not a place where they can play baseball and golf.

Concill Success is Up to Students

Though the College has been suspected of all sorts of conspiracies, its editors of undeclared political aspirations, and of plotting with foreign powers, it is still trying to be successful on the new Student Council. Our interest in the Council is, by and large, a great deal greater than it has ever been before.

The idea of founding a student-owned newspaper is one that we are very interested in, and we feel that this is a step in the right direction.

The event of interest was the second hurdle race of the season to be conducted at the oval on Tuesday. Barnes and Verdon were the only ones of this year's takeoff list to be present. These two generate the greatest interest of the year.

Klan Initiates Letter Men

The Klyn Klan initiated into its membership, Wednesday night with success. The ceremony was performed in the kapitel room of Park Street.

Dr. Rumor was the guest of honor and spoke on C-2-2-2-2-2. The event was a complete success and is expected to be repeated in the future.

Intramural Shift In Sports

The intramural program shifts this week from baseball to track. Frankie Reiter has announced that tryout dates in all events will be held next Tuesday in Benson Bowl. Each division will enter men in each event to Tuesday and those victorious in the trial will be chosen for the championship meets on Thursday.

Two new events have been added to the program this year. For the first time in recent years the 10 yard high hurdles and the 10 yard low hurdles will be featured in the list of events. This was due to the request of the men at that level. Kenyon has acquired enough hurdles to hold a track meet. The official meet on the program is the only one regularly held in intercollegiate competition.

Krusel Heights again dominated the play with his definitely superior spikes. He had no trouble advancing to the final events without loss of a point. Lawrence Pugh from Cincinnati found himself in the final after experiencing very little trouble from his opponent.

Eberle Tells of Carribean Voyage with Count Luckner

Last Thursday evening Captain Eberle addressed a meeting of the Riding and Polo Club. The captain dined from the floor box in the vicinny and talked of his cruise with Count Luckner. The meeting was open to all who cared to come, and many outsiders joined the club members in the Chemistry lecture room.

After the captain had told a few anecdotes about his journey, he concluded with a story about the captain’s club and which of the members had been there. He also mentioned the club’s desire to have another cruise next year.
