Hofman Cancels New Plane Order

Senator Burton To Speak

William Hofman, who has announced that he will be a candidate for the U.S. Senate from Ohio in 1929, has canceled his plans for a new plane order. Hofman, who is in charge of the Senate's Committee on the Budget, announced that he will no longer be interested in buying a new plane for the Senate for the new year.

The move comes as a surprise to many members of the Senate, who had been expecting Hofman to order a new plane. Hofman had been considering buying a new plane for several months, but had not made a final decision.

Hofman said that he had decided not to order a new plane for the Senate because of the current economic conditions. He said that the Senate could not afford to spend money on a new plane at this time.

Hofman is a member of the Senate's Committee on the Budget and is in charge of the Senate's Committee on Appropriations. He has been a member of the Senate since 1923.

Middle KenGen is a cosmetology
place inhabited by cosmopolitan.

They have more than one version
of their true nature because they
are staffed by the Dean and his

They have more dates at a rate

and with a bit of truth, they are.
In 1492, they erect tone

Swimmers Will Race Slippery Rock In First Meet Dec. 12

Smokey, Helene Will Lead Weakened Team

For the past week the Kenyon swimming team has been practicing for its opening meet this Friday, Dec. 12, with Technique Teachers Bill Cook and Bob Natt, who are working the boys hard. Prepared by the loss of Don Cook, Bob Natt, and Joe Strong, the Lords are far from being at full strength, for Coach Fred Tomlinson’s deputy divers, failed to return to school.

Captains Named

The position of captain is being held this year by co-captains Bill Smith and Fred Vail. These boys are undoubtedly the best of the swimming team and will prove to be inspirational leaders. Bill Smith, National Junior backstroke champion, will again be a dominant member of the team and is expected to swim many heats during the season.

Kings Finishes

Third At Oberlin; Reinheimer Seventh

For the second straight year, a two man cross country team represented Kenyon in the Ohio Conference Cross Country Meet, which was held at Oberlin College on Saturday, Nov. 16. Schools represented were Oberlin, Bowling Green, Case, Kenyon, and Ashland.

Ken Kingsley, captain of the 1942 Kenyon track team, and Johnny Reinheimer were the two all-state runners who carried the colors of the Lords. Kingsley, who has improved with every race, finished third in a very fast field. Reinheimer, the boy who doesn’t know how to spell quit, came home in the seventh slot.

Kingsley’s Whimsical Russian was paced to the first place honors. Bowling Green, Case, Kenyon, and Ashland followed in that order. Kenyon’s fourth place truly remarkable, in that the Lords only entered two men. While Ashland, the fifth place team, entered five. The Lords two men had to spell the Ashland team the last three places and then compile more points than the total compiled by the five men representing Ashland.

Animals and Plants

There are many plants and animals that we see every day and believe they are just part of our world. But, do you ever wonder where these animals and plants come from and how they got their names? Today, we will explore the history behind the names of some common animals and plants.

Paolozzi Gets Trophy; Swimmers Dominated

Game captains will be used by the 1942 Kenyon football team, it was announced Wednesday, Nov. 26 at the annual football banquet at the Great Hall of the Commons. Members of the freshman and varsity teams were guests of honor at the affair, which was attended by the entire student body.

The Spring Football Trophy was presented to Capt. Gabe Paolozzi by Dave McDowell, backfield coach. The Spring football team was given the colors of the Lords. Kingsley, who has improved with every race, finished third in a very fast field. Reinheimer, the boy who doesn’t know how to spell quit, came home in the seventh slot.

Kingsley’s Whimsical Russian was paced to the first place honors. Bowling Green, Case, Kenyon, and Ashland followed in that order. Basketball Squad Has Long Practice for Bluffton Game

Passing, Zone Defense Are Featured In scrimmage

With Dance Weekend beginning tonight and only two weeks remaining before the season’s first game, the varsity boosters are vigorously vamping up the boards of Rome Hall in their attempt to be in shape for peak condition for that all important opener with Bluffton here December 9th.

Coach Chuck Owns has informed the squad that their physical condition is going to have to be as good, even better if possible, as that in which Rudy Kuhler had the football squad this fall. At present practices are lasting two and one half hours during which the boys are constantly kept on the move.

Passing Stressed

Passing the ball is being stressed very greatly in the attempt to set up easier shots and therefore more points. Never has it been more important for the boys to work in passing with the goalie. A new offense is being used at present and probably will be tried out against Bluffton. Each squad member is required to throw in at least 300 balls a day. This practice should make every foul shot count when it is needed in the game.

until you find someone you
really want to give them to.
Don't forget that boys
talk about girls, and
when you speak with one man,
all his brothers will know it
soon."

Other warnings include:
- "Don't be possessive. It
is easier way to lose a
