ROSE HALLSIGS

COACH Rudy Kutler has called off spring football practice for the simple reason that he hates to see all of his good work up to date go for naught. Maybe some day the Park will be flooded by the sound of cleats hitting into the moist earth in the spring. I’m afraid that we may have to wait until men return to Kenyon College.

Fair basketball record!
On the whole, the 1941-42 swimming season for the Kenyon Lords. Their record for the year was five dual meet victories, and two losses, plus the second place in the Ohio conference. Capt. Fred Henscheil finished an outstanding career with the Lords, and will be remembered as one of the best swimmers Kenyon has ever had.

football. Coach Kutler feels that during this war period consideration for the spring track and field program might be some time.

He has no sound to announce.

It may be because they have already had their first assignment of the season.

It is difficult to find a good track meet, but we may be able to find one.

The weather is not the best.

It is a beautiful day.

We should have a good time.

It is refreshing with lunch.
