LORDS UPSET BY MT. UNION; FACE HIRAM TOMORROW AWAY

Coach Richard Pfleiger's football squad wound up their 1956 home season last Saturday with a loss against the Mount Union Raiders 22-12. As a result of the game the Lords now have a 3-5 record for the season while Mount Union is 3-4.

Kenyon scored one touchdown in the second quarter. Kenyon started the drive on their own 21 yard line. Fifteen plays later, after two long passes by Holmes and a series of ground plays, freshman halfback Roy Walker plunged through the line from the three yard line for the touchdown. The Lords failed the extra point and the score at the half was 6-0, Kenyon.

Evans Scores

Early in the third quarter Kenyon's Paul Evans scored from the Mount Union 2 yard line after a drive which started on the Mount Union 48. Again Kenyon missed the extra point.

On the after touchdown kick Mount Union end Whang Van Halen Smith's kick hit off the goal for the touchdown. The Kenyon team was asked to ward the middle and away taking advantage of his blockers could run around them, adding the necessary burst of speed to pass the last Lord defenses and race for the goal. The Raiders then tried a place kick for the extra point and failed.

With the Kenyon moral seemingly broken, Mount Union took the ball again after Holmes 39 yard pass and drove easily from the Lord 33 to the touchdown. This time Mount Union ran successfully for the point after touchdown.

Debaters Look To "Successful Season"

The Debate Club of Kenyon College, which competed in last season's Tournament of Champions at Davidson University last fall, has been practicing under the leadership of Frank Coleman, Jerry Field, Sam Richmond, John Mackenzie, and Howard Washington.

The team has sent out a strong, well-balanced squad which has not only practiced extensively during the winter, but has also been taught the art of effective dramatics by correspondence, as in the previous season.

Some of the important ideas to be discussed include the future of the automobile, the efficacy of democracy, the moral and educational significance of football, and the effect of art upon the war.
