ZUCKER SPEAKS ON LANGUAGE OF FAITH

Two Sundays ago Dr. Zuckor of the Updale College Philosophy Department, Kenyon Christian Fellowship on the campus, led the audience in a discussion of the language of faith and the ultimate truths therein. "Faith is in some sense a mysterious and impenetrable thing, but it can show one what it would be like to be a god. Stamping the outer-dependent nature of faith is the concept of the total transfigurations of light and love, forgiveness and Dr. Zuckor, statement, "We've heard it be like to be a god."

Any person who has as his main objective security must have religious faith. Any person who has set himself the life of mankind for solution in his own definition, the life of mankind for the solution of part of religious faith. Faith pre-empted, he said, is in the power of Creed, and that is power before which anything in which we have participated, and is a time before which to be an absurd void of despair, but for one fact:

The proceeding Sunday, Reverend Zuckor, and yourself, and the Fellowship on the subject of a discussion of the life of Christ's creation. He defined church as considering any particular denomination, but to the church which is in all the church which was crucified for us. And it is to that church, to that church which is the covenant, relationship between its members and its com- munity, and that the church is not, "What can I get out of the church?" but "What can I give to the church?"

The purpose of the church is in the problem, in which the Creeds and Catechisms play a large part in the life of the body of believers. In conclusion, Reverend Don- nelson said, "The church is primarily a timed historical event which has God's faith in it."

Hoopsters End Season On Unbeaten Pace

Back Rob Harrison's Kenyon basketball team finished the 1958-59 season with an 11-0 record, the third unbeaten season in a row, and a second straight conference championship. The basketball season was the third consecutive unbeaten season for the Kenyon basketball team, which had compiled a record of 31-0 in the last three seasons.

In Feb. 25 at Gambier the first defeated heavily favored Whetstone of the League 114-3, and their second victory of the season. The Lords turned in a record of 11-0, with the highest scoring game of the season at 47-0, and losing a close one to Denison by 47-0.

The end of the season was marked by a 114-3 victory over Whetstone, which had been the team's nemesis in the past. The Lords were led by Phil Mayne, who was named the Most Valuable Player of the season.
