Fund Drive Receives Pledges & Gifts In Excess of $400,000

Five weeks after the Kenyon fund drive "kick-off" in Cleveland, the college has received gifts and pledges in excess of $400,000 for the college.

The money will go toward various planning repairs to be made this summer including new underground electric cables, road resurfacing around Buckey Hall and an unabating of the building itself.

Headquarters In Cleveland

While the headquarters for the drive are in Cleveland, interest is being stimulated in several other major areas. Recently, "The most notable exception," William Lyman, Vice President for Development, has attended "kick-off" meetings in New York, Chicago and Toledo. Over 300 alumni are now actively engaged in the program.

Dr. Lund states, "we hope to make some public announcement of progress at Commencement." The goal is for $1,800,000 by June 6.

PHILLIPS WINS NEWMAN TROPHY

The annual Dramatic Club "kick-off" was held Tuesday, May 12, at which time the Newman Trophy was presented.

The Paul Newman Trophy for the best acting performance by an undergraduate went to Peter Edgington of the English department. Old Man in Ionesco's The Chairs. This is the first time the Newman Trophy has been given. Last year's recipient was Dean Col. the Ashford Memorial Award, given primarily for dramatic potential to a theater at Kenyon, in life was awarded to David Col. Smith of the English department the Chairs. As the fourth winner of this award in the last five years, the first director to win it, as well as the first senior elected to receive the major production in any year since 1953. The judges for the Newman were Marilou King and Phillip Harvey and Cummings.

Dr. Miller

Dr. Miller to speak on scientific discovery in 1st alum. seminar

"Space and Eternity" to be Baly's topic in 2nd alum. seminar

At the second Alumni Seminar, Sat., June 6, Professor A. Dennis Miller, of the department of Science and Religion, will speak on "Space and Eternity." The seminar is scheduled for 11:15 A.M.

The general theme of the three seminars taking place that day is the impact of modern science on Western Civilization. Mr. Baly's talk will concern modern and the socio-cultural context of both science and religion.

Ideas and Beliefs

He feels that the spectrum hangs on what a particular religious tradition teaches about the material world, and will limit himself to the Judeo-Christian religions of the Western world. He will explore the question of a relationship between the ideas and beliefs of the Western religions and the fact that the Industrial Revolution took place with such ease in the West.

Mr. Baly feels that the responsibility for the elimination of the conflict rests equally on the scientist and the theologian. The attitude that one is right and the other wrong will not succeed. He feels that it is with the idea in mind that the scientist and theologian can both be right that the true relationship between science and religion will be found.

Sperry, Hartman, & Harvey Are Recipients of Ford Fellowships

Three Kenyon students are the recipients of Ford Foundation Grants for summer studies in the area of the Social Sciences. Junior, Gil Sperry and Sophomores, Bill Hartman and Scott Harvey have each received a $600 fellowship and expense stipend in order to pursue a specialized research topic related to their major field of interest. They are History, Government and Economics.

Thorp New Bexley Dean; Kenyon Faculty Adds Two

President Lund recently announced the appointment of the scholarship department of St. John's Episcopal Church in Bexley to the new Dean of Bexley Hall. He is also a member of the faculty of the school since the 1916-17 term. Rev. Dr. Ford, the first person to be appointed to this position, will have the old Bexley Hall building for the department of Social Sciences.

Debaters fourth in 12th tourney

Kenyon's Debate Society took fourth place in the recent New York University Forensic Tourney in New York City. Representing Kenyon were Gerald J. Fields, John M. Ionesco, and Richard Bann. They won the honor for Kenyon at a debate about speech the previous day.

RETURNING CLASSES ELECT NEXT YEAR'S OFFICERS

All three returning classes elected on the same day and submitted a fellowship of Science will be opened to all returning classes.

RETURNING CLASSES ELECT NEXT YEAR'S OFFICERS

All three returning classes were re-elected president and secretary without opposition for the coming year. Russell J. W. Rogers and John C. T. C. McReynolds were re-elected president and secretary of the senior class and office of the junior class for the coming year. The senior class and office of the junior class held the Outership, I. P. O., and the Sophomore class for thecoming year. The senior class and office of the junior class held the Outership, I. P. O., and the Sophomore class for the coming year.
Kenyon Collegian  

June 5, 1959

SPORTS EDITOR PROVIDES SPRING SPORTS ROUNDUP

The spring of 1959 has proven to be one of surprises and disappointment for Kenyon as far as athletics is concerned. A season which has been described in most quarters as one of the most conspicuous improvements has been the recognition of three senior places.

Three Seniors Placed By Job Interviews

Three seniors will begin jobs next fall in the Kenton Collegian. The positions involved are the result of interviews arranged through the guidance and placement service of the college Placement Service.

Peter Kyle has accepted a job in sales training with International Business Machines Corporation. Mr. McCarty starts sales training with the Ontario, Illinois Paper Products division. Thomas Tomlinson was con-

Other Sports Still Talking

Six other seniors are still discussing job opportunities for after graduation with companies that recruited at Kenyon this year. The senior places are available to those who have graduated in 1959 and 1960.

COMMENCEMENT DAY

Kyon senior's Elia Commencement will get under way with morning prayer at 10:30 Monday. Chas-

Theodore D. Lehigh, assistant dean and Professor of Pharmacology, Col- umbus College, will be the speaker.

The college's senior class has chosen the song "Nine-Nine" on campus during the week. In addition,

CONCESSIONS

ON THE SQUARE

...CHANK TOOK LUNCH...

The enthusiastic support of the students has made it possible for the Col-

lege to continue the concession stand throughout the season.

The Authors

William T. Long, the college's head coach, has worked hard to make sure that the con-

cession stand has been successful.

It is hoped that the students will continue to support the concession stand in future years.
